it's been great knowing you and swimming with you,

Hey! mark. I haven't gotten to talk to ya

Luv. Kathy

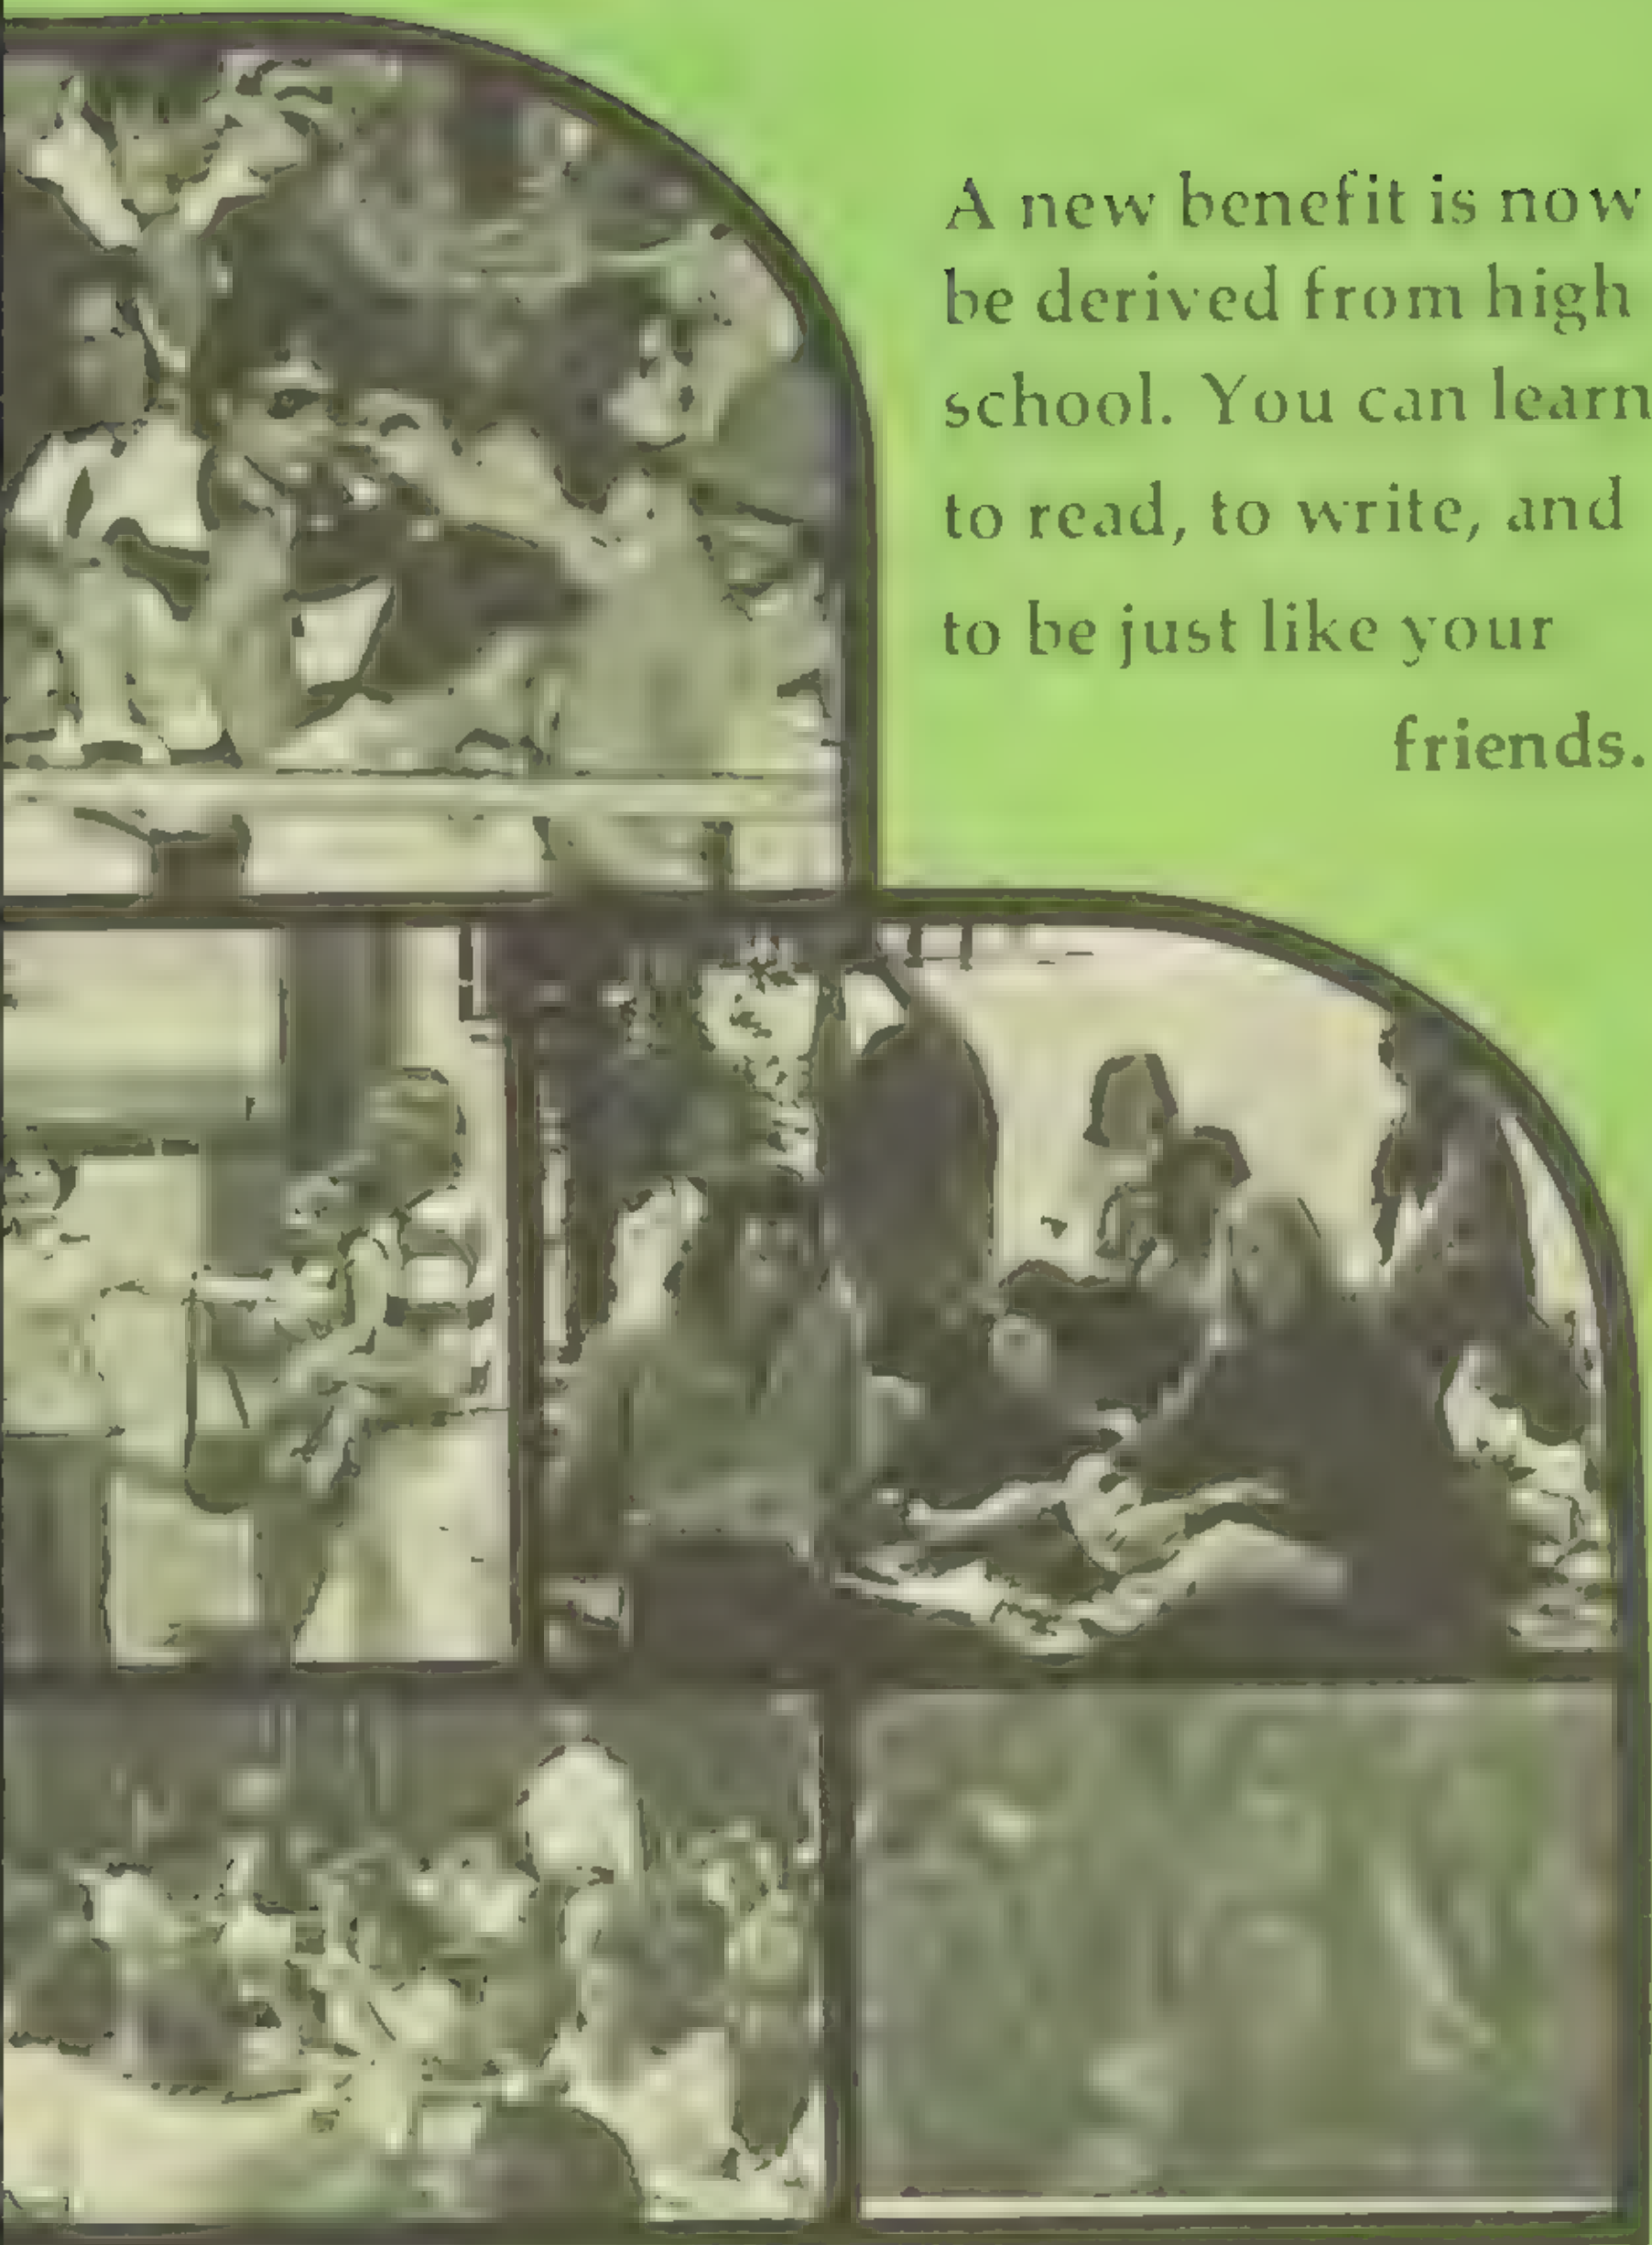

The down times we experience
are a necessary part of the high school scene.
Without the drama we invent
our lives would be colorless.

A new benefit is now to
be derived from high
school. You can learn
to read, to write, and
to be just like your
friends.

WHERE IS THE INDIVIDUAL ?

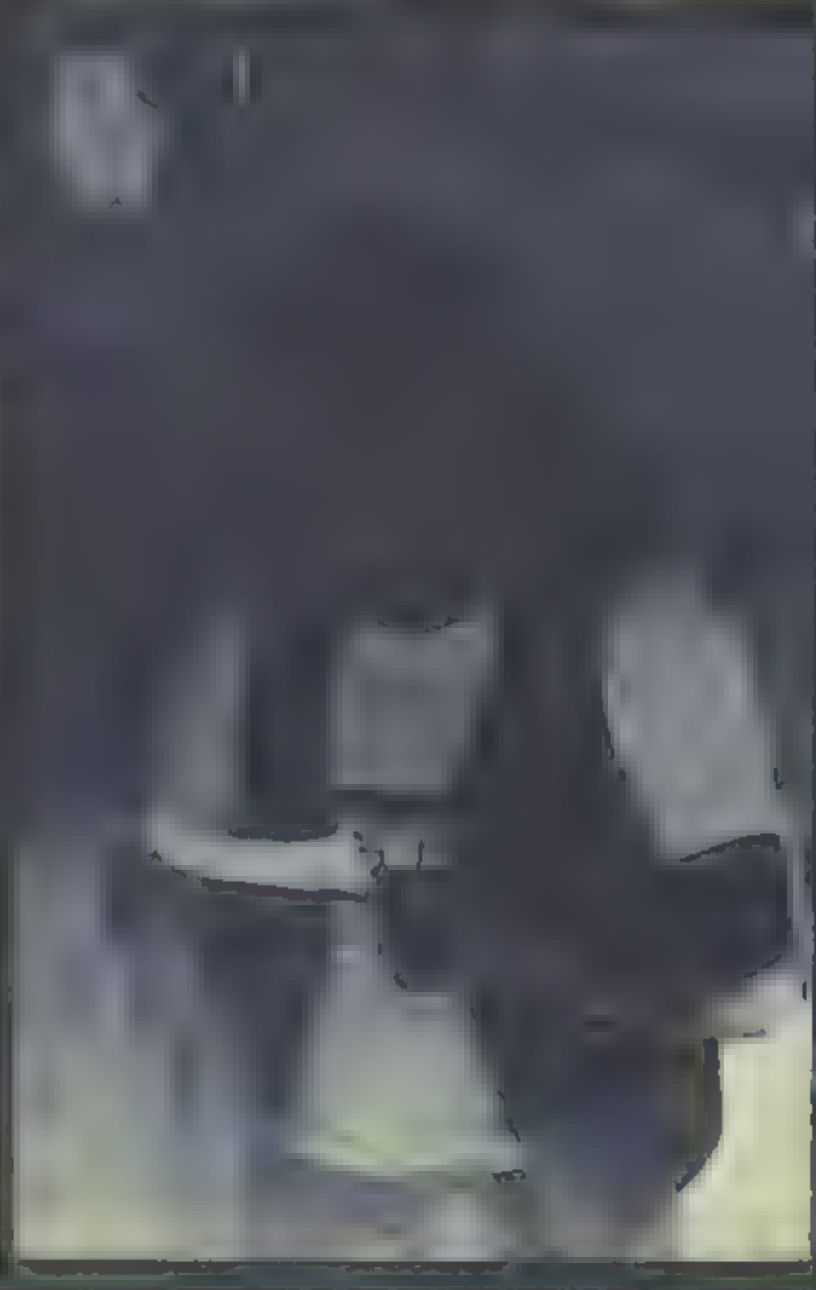

The joy,
The hate,
The love we
feel is
in reality
only
superficial.

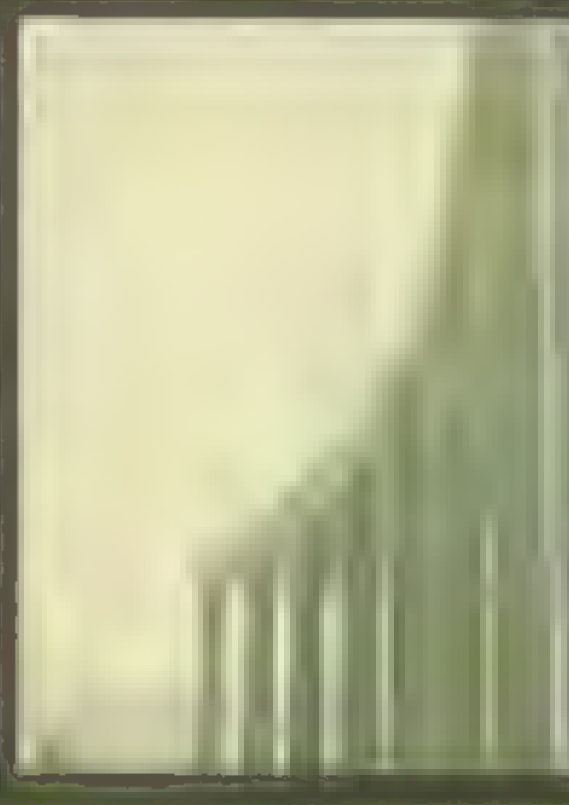

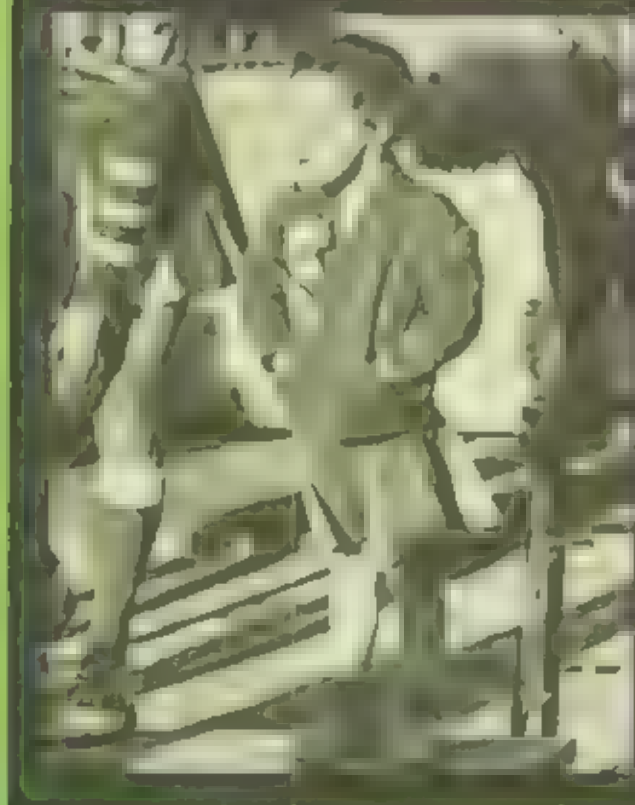

Don't act out
the same old scenes.

Look for life's
many
shining moments

Take the good times
to your heart and leave
the rest. Don't let
petty problems get you
down. High School is
but another act in the
SOAP OPERA OF LIFE.

Observing the students around campus, the 1976 Rammer staff decided that a Soap Opera theme would be very appropriate for this years yearbook. A student entering Willow Glen becomes a part of an enclosed world full of intense melodrama. The point we're trying to make is that a lot of the things we think are so important and at times unbearable will later be recognized as trivial. Think! Have you ever lost a friend over a pointless argument or a date that never really mattered? If so you have allowed your dramatic senses to take over. Don't let that bother you because High School is a time to experiment with your emotions. But be sure that you control your emotions and that they don't control you. We Hope You Enjoy The Show!

THE

SCIENCE

REGIST

Once again the students of Willow Glen High School joined together for their annual registration of classes. This unforgettable scene marked the start of the 1975-76 school year, and was performed on location September 10th in the W.G. gymnasium. Despite changes in scheduling, the shooting went rather smoothly.

HIGH SPIRITS!

The first week of school had ended. For most students, the weekend was a welcomed friend. To top off Registration, a dance was held on September 19th in the school gym. The music was provided by the mellow band of Backroads. The turnout was great and the spirit of the student body was overwhelming.

MINING

The 1975 Willow Glen Homecoming was a spirited success. During Homecoming Week, a number of class competitive events took place. Starting off the week's activities were the Boat Races won by the Junior class, and Frisbee Jumps won by the Sophomore girls and Senior boys. Next came the Tug of War. Winning for the girls was the Junior class, and for the boys, the Senior class. The last activities were the Inner Tube Races and Buck Buck both won by the rowdy Seniors. To top off the week-long events the annual parade was held down Lincoln Avenue featuring the class floats and Homecoming Court. Later that day at the halftime of the Ram v.s. Acorn football game, the winning float was announced along with the winner of the class competitions. The Rowdy Seniors of '76 once again took first with a total of 875 points. The Junior float won first in the judging.

OUR BAND

Once again the presence of our Ram Band, directed by Wendal Reid and assisted by Majorette Jane Dale, provided hours of music and entertainment.

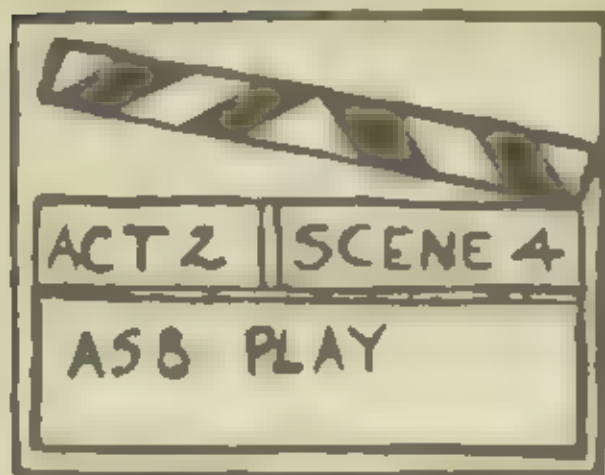

ASB BOOGIES...

Rap City provided the tunes for the first A.S.B. dance of the year. The place was the W.G. gym and the date and time, November 14th, 8 to 11. There was an unusually high amount of togetherness making Act 2, Scene 3 a sizzling success.

YOU'RE MY YANKEE DOODLE DADDY

Once again the annual Dad-Daughter Dinner Dance celebrated the Valentine month of February. This special event was held on Feb. 5 in the Willow Glen cafetorium from 6:30 p.m. to 10:00 p.m. It was an evening of fun-filled dining and dancing for the girls of Willow Glen and their Daddies. The dance was sponsored by the Dad's Club and G.A.A. The theme of this year's dance was "You're My Yankee Doodle Daddy". Joe Tomasello and his orchestra provided music for the fathers and daughters after a fried chicken dinner. The dinner was served by Block W.G.

This years Varsity football season was somewhat of a surprise to the San Jose Mercury News, who placed Willow Glen at the bottom of the barrel with San Jose. The season started with three exciting wins over Santa Clara, Wilcox, and Gilroy, followed by two definite losses to Leland and Homestead. However, the rams bounced back once again with a victory over San Jose. The remainder of the season went up and down with a loss to Live Oak, a win over Lincoln, and a final loss to Pioneer.

'VAN WREST

W.G. Wrestling ended the season with a 29-9 overall record. The young men who wrestled, except for 4 Seniors, will be back next year with strong and steady improvement. W.G. can look forward to a winning season next year and hopefully become a contender for the 1977 league title. Graduating Seniors Tom Bunnell, Jose Augaristi, John Thomas and Tim Dwyer will be missed but there are 5 juniors and 4 seniors who are ready and willing to step into their wrestling shoes. This year's M.V.W. Kirk Maddux will be back for another season and should improve on his 23-9 overall record.

Under the new coaching of Mrs. Clifford Barret, the 1975 G.A.A. Varsity and Junior Varsity tennis teams successfully completed their swinging season.

The varsity team started out the year with victories over Gilroy, Pioneer, Lincoln, and Live Oak. Unfortunately, there was one defeat brought about by Leland to make the varsity team settle for second.

The junior varsity team didn't have to settle for anything, winning all their matches and taking first place. This enables W.G. to be the home of the STGAL J.V. team's champion trophy for another year. CONGRATULATIONS!!!

Director & Chief

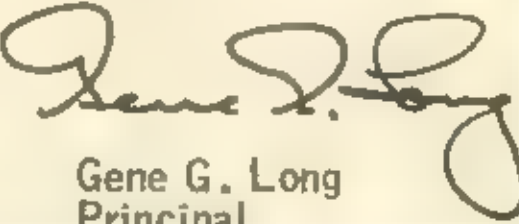

Once again it is time to say "adios" to a graduating class of Willow Glen High School upon completion of our course of study. The members of this class, the twenty-sixth, will increase the total number of graduates from the Ram campus to approximately twelve thousand. The vast majority of the members of the Class of 1976 are well prepared for their future endeavors, whether it be post high school education or entering some field of employment. The degree of preparedness obviously depends upon how well the individual took advantage of the many educational opportunities offered at our school.

Your school received many commendations from the visiting committee of the Western Association of Schools and Colleges during their accreditation visit last February. One of these commendations singled out your yearbook staff for the continued high quality of the Rambler. I am taking this opportunity to add my commendation and congratulations to the staff and their advisor, Ms. Toni Thunen, for the high level of achievement in the field of yearbook publication.

The Class of 1976 has my very best wishes for a successful future and I hope each of you will achieve your goals.

Sincerely,

Gene G. Long

Scarcely time to realize
Horizons eternally blaze
And creation will linger indefinitely
Through the darkness & brightness of days.

The darkness will hover
Capturing fear
Shadowing over the sun
Releasing contempt from deep in its soul
Binding evils & good into one.

Then far from the surface will penetrate light
Shading blackness from view
Conquering evils disguised till unknown
To enlighten with colorful hues.

No matter what depth the darkness achieves
The brightness will surge to thrive on
So look to the shining luminous times
And dream past the greyness soon gone.

RIP FROM TT

Mark,

What's happenin? your really
a nice guy and i'm happy i got
to be your friend this year. Good
luck playing water polo this summer.
I hope you like Sacramento. Its really
not that bad though. I lived there for
2 years. Maybe thats my problem. I'll
miss you mark and if you come
up here to visit call me. I mean it.

264-2530.

Love in Christ,
Kristin

Thurs. O.K.

Mark- well this has been a year! I've got so
much to say I don't know where to start.
How about with apologies. I'm really
sorry that you got mad at the beginning
of this semester. Remember about Sue +
Togo? Well I'm sorry about that. I just
didn't want you leaving San Jose hating
me. Well enough of that now for
memories - Group class - what a joke those
"Zipped" copies really helped. How about
Olympic class? Or wasn't you there enough?
How about Film as well. Or were you
asleep? What about those beach
parties - Fun in the sun is, or, the
night. That was fun. Well have a
great summer and keep swimming O.K.
when you make it to the Olympics and
I'll give you up to give my congrats
